

Archangels Who Work With Dragons

Archangel Michael

- Dragon Allies: Blue Flame Dragons
- Energy: Protection, truth, strength, and courage
- Purpose Together: These dragons blaze with sapphire blue fire that burns away fear, cords, and psychic interference. They stand guard around sacred spaces, sealing light grids with divine truth. Michael and his blue dragons protect lightworkers during energetic transitions and clear lower vibrations from the aura and home.

Archangel Raphael

- Dragon Allies: Emerald Healing Dragons
- Energy: Healing, renewal, and restoration
- Purpose Together: Emerald dragons spiral around the Earth and human energy fields, mending tears and refilling vitality through the heart chakra. They weave emerald light through meridians and ley lines to restore balance and strengthen natural healing ability. Raphael and these dragons often assist Reiki healers and those in physical or emotional recovery.

Archangel Zadkiel

- Dragon Allies: Violet Flame Dragons or Amethyst Dragons
- Energy: Transmutation, mercy, and forgiveness
- Purpose Together: These dragons breathe violet fire that dissolves dense energy, karmic residue, and attachments. Together, Zadkiel and his dragons lift vibrations from heaviness to freedom, helping souls release old wounds and step into compassion and spiritual sovereignty.

Archangel Gabriel

- Dragon Allies: White Flame and Orange Flame Dragons
- Energy: Purity, communication, and creative expression
- Purpose Together: White dragons purify thoughtforms and clear energetic blocks in the throat chakra, while orange dragons spark creative flow and confidence. Gabriel and these dragons help open the channels of divine communication, especially for messengers, speakers, and artists.

Archangel Chamuel

- Dragon Allies: Rose Quartz or Pink Light Dragons
- Energy: Love, compassion, and peace
- Purpose Together: Chamuel's dragons emanate a soft rose-pink radiance that heals the heart and diffuses emotional pain. They assist in restoring harmony within relationships, dissolving conflict through love, and helping lightworkers open to unconditional self-acceptance and forgiveness.

Archangel Jophiel

- Dragon Allies: Golden Sunshine Dragons
- Energy: Illumination, joy, and divine beauty
- Purpose Together: These golden dragons bring mental clarity and optimism. They dispel negativity, lift emotional heaviness, and help illuminate divine wisdom in everyday life. When working with Jophiel, they beautify energy fields and environments, creating radiant harmony.

Archangel Uriel

- Dragon Allies: Ruby Fire Dragons or Gold-Ruby Dragons
- Energy: Illumination, peace, and wisdom
- Purpose Together: These dragons blaze with ruby-gold light that transmutes anger and discord into understanding. They ground divine wisdom into practical insight and inspire calm leadership. Uriel's dragons anchor peace in places of unrest and balance fiery emotions with grace.

Archangel Metatron

- Dragon Allies: Platinum or Golden Metatronic Dragons
- Energy: Ascension, divine order, and sacred geometry
- Purpose Together: These radiant dragons carry codes of creation and crystalline geometry. They stabilize light grids, align DNA templates, and help souls embody higher frequencies. Metatron and his dragons guide ascension processes, assisting with integration of new light bodies and awakening multidimensional consciousness.

Archangel Christiel

- Dragon Allies: White-Gold Christ Light Dragons
- Energy: Peace, unity, and Christ consciousness
- Purpose Together: These dragons hold the purest vibration of unconditional love. They dissolve separation and anchor the golden-white flame of Christ light within the heart. Christiel's dragons help raise collective vibration and restore serenity, assisting those on the path of divine service.

Archangel Mariel

- Dragon Allies: Magenta Dragons
- Energy: Emotional healing, higher heart activation, and compassion
- Purpose Together: Mariel's magenta dragons open the higher heart chakra, the bridge between love and divine wisdom. They gently clear grief and emotional residue, infusing calm strength and spiritual compassion. Together they assist with ascension through emotional balance and heart-centered living.
